EVALUATION OF CONTENT

At a recent meeting of the senior officials of the Office for South Tyrol in Innsbruck, it was decided that Professor Reut-Nicolussi, Monseigneur Kolb, and Dr. Kunst of the Socialist Party should request the Tyrolean Provincial Government to intervene in Vienna, with a view to persuading the Austrian Government to press for an immediate solution of the optants question and other problems arising from the Paris Agreement.

2. The SP in Bozen were informed of this decision, and approved it.
